

MAINS VOLTAGE HALOGEN PAR - COLOURED

Coloured mains voltage halogen PAR lamps with the crisp appearance of a low voltage dichroic without the need for transformers, available in a choice of colours to enhance décor or highlight features. The colours created are by use of glass layered filters, not to be confused with cheaper colour sprayed lamps.

- UV stop front cover glass
- 2000 hour life
- Dimmable
- Internally fused for safety

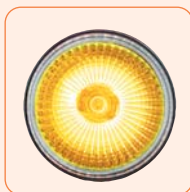

57
